WEATHER PROOF

Offering excellent protection against moisture and ensuring long-lasting durability.

SOUND RESISTANT

Effectively reducing noise transmission for a quieter, more peaceful environment.

TERMITE PROOF

Providing reliable protection against damage and ensuring long-term durability.

CUSTOMISABLE

Fully customizable, allowing to choose from a range of designs, finishes, and sizes to perfectly match your space.

FIRE RETARDANT

Enhances safety by slowing the spread of flames, reducing smoke, and providing added protection against fire hazards.

VERSATILE

Reinforced edges and solid core construction, offering enhanced privacy, light blocking, and a secure, peaceful environment.
